

Welcome to our beautiful restaurant at the bustling harbor of Volendam. Every season, we introduce a new menu. This menu is carefully created with love by our passionate team of chefs. We work closely with local suppliers to ensure the best quality.

In the summer, Lotje Wine & Dine's terrace stretches along the quay, the perfect place to enjoy the stunning view of the picturesque harbor.

In addition to dining, you can also indulge in a delightful high wine or high tea experience with us.
